Questions / Comments

- IRB continuing review was approved on 6/16/2026 and contingencies were fully satisfied on 7/16/2026.
  The study expires on 6/15/2027.

- Funding account end date: 8/31/2026

  Regarding the MRI schedule, Catalina has entered an end date of 10/31/2026 in the scheduler so MRI appointments can continue to be scheduled. Once the funding account has been extended, we'll need to update the scheduler to reflect the new account end date.

- 4th-year BD: Is hematocrit necessary? (No MRI)
